## ABOUT MYSELF

I am passionate about maintaining the frontend of web pages and innovating new designs to create engaging user experiences. Currently, I am honing my skills in React.js to enhance my proficiency in modern web development. I have practical knowledge of:

- HTML
- CSS
- JavaScript
- React.js
- MySQL (intermediate)
- Python (non-web related)

I build projects independently to practice and refine my skills, constantly striving to stay updated with the latest industry trends.
